Management Science/ Social Science year 2006

Please share a few words about your professional career (i.e. current title/employer, business, profession, or retirement status).

I have been employed with the Social Security Administration since 1973. Currently a Reconsideration Disability Examiner (Recon D/E).

Why are you interested in serving as an officer on the Coppin State University National Alumni Association (CSUNAA) executive board?

I want to increase membership in ways never done before! I have ten years lifetime membership in Coppin State University National Alumni Association (CSUNAA). I have been a Coppin volunteer since graduating in 2006; mainly in the Academic Department and in the Alumni Association for by many years. I was the Alumni Association Secretary from 2014 to 2021. I will be an excellent candidate for the position of 2nd Vice President as I am trained in the field of recruiting, management, facilitating, and encouraging. Our association membership numbers matter to me. I promise to do my best to have input to increase membership by contacting leads, roster updates, media outlets, and from campus departments and etc.

Vote for me, please and consider voting for My TEAM expect a DIFFERENCE!!

How can you support the alumni association to grow membership, help establish new alumni chapters, and increase alumni participation?

My support in the executive board will prove itself as I will bring to the table honest concrete ways to reach out to include all alum who have graduated from our great College.

Is there anything else you would like to share?

I am returning as a candidate because I care. I want Coppin to grow membership and increase funds to help students. I am committed and will always do my best for my Alma Mater.
